Chapter 101 Fortunate Girl, Unfortunately Blind

AAAAAH!...
Who is that guy?
He's a hottie, isn't he?
Takahara Hironori from the Soccer Club, I think.
FIRST PLACE !!

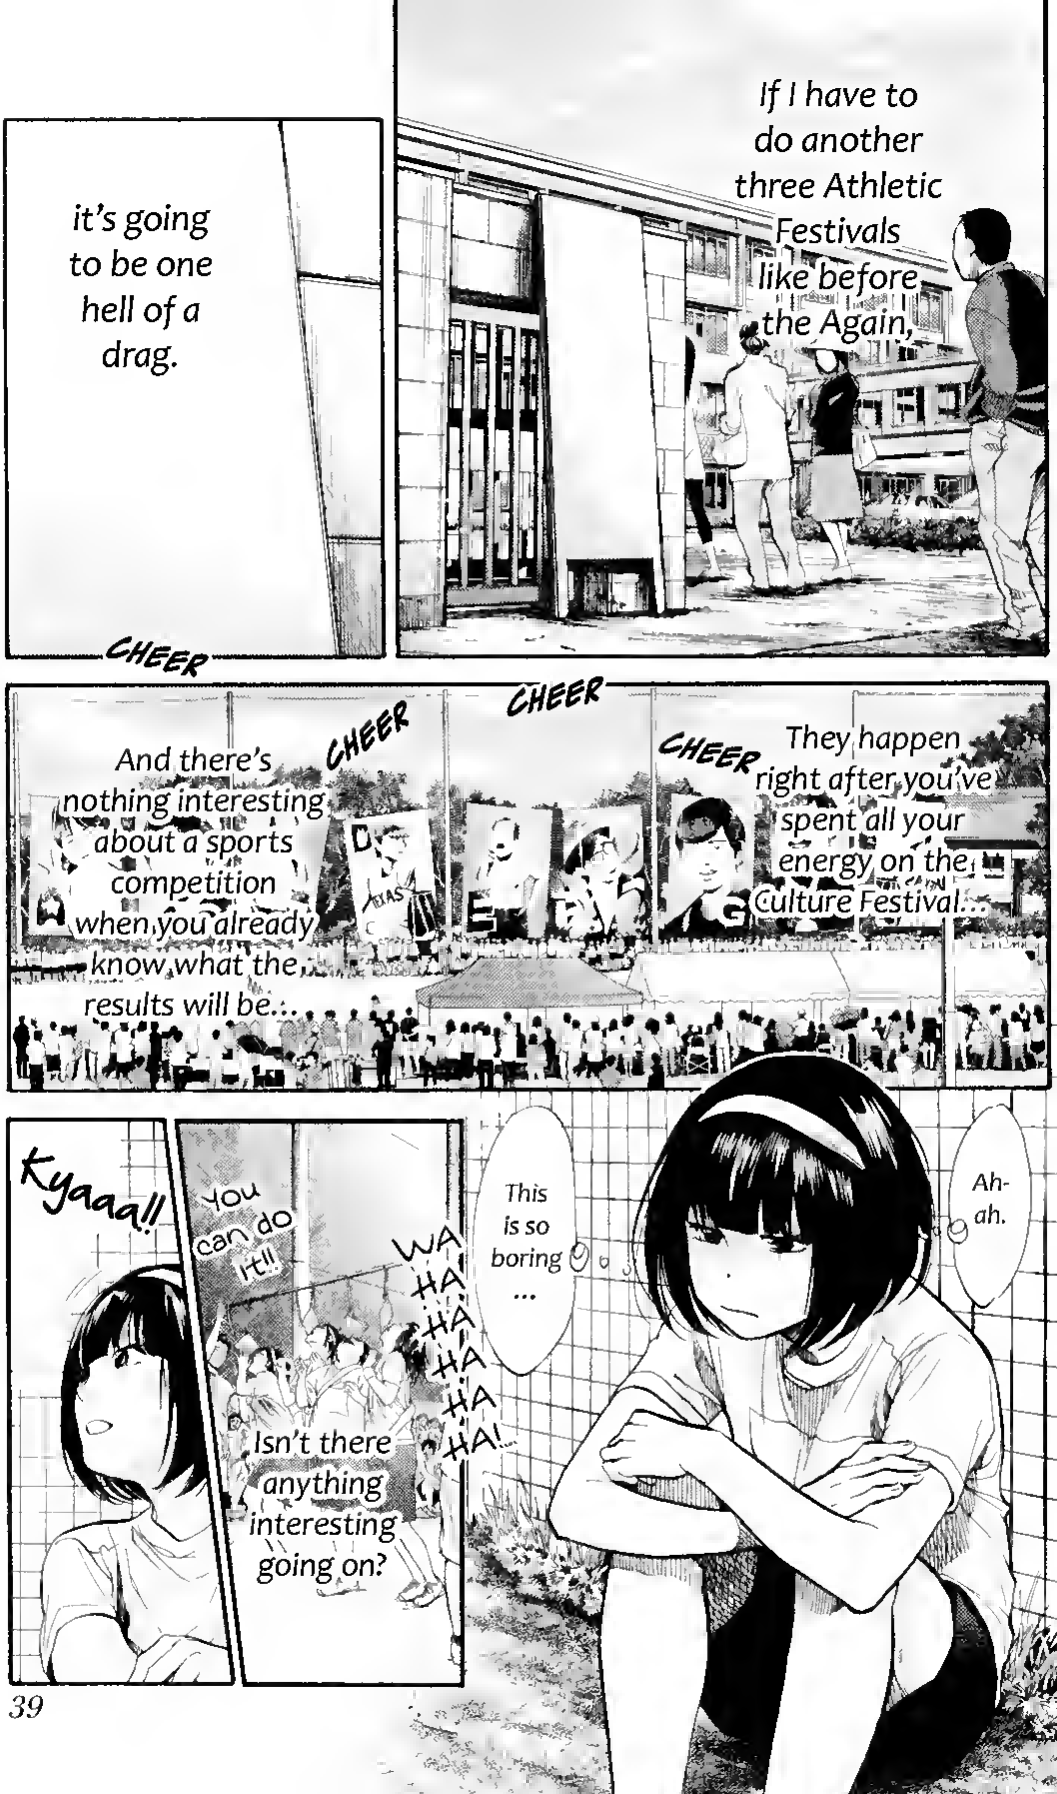
So he's really popular, huh...
Hmmm
CHEER
Apparently he's really, really popular.
Ehh?
CHEER
CHEER
I heard he's got a girlfriend who's older than him... And she's in fashion magazines and stuff!!

At the time, it really felt like he was living in a completely different world...

It was only the case before the Again.
Ah...
Kyaa ...
Hiro-kun... You're so aggressive...
Note: This is not true.
You dirty boy...♡

we both have things to take care of at work I know it's your Athletic Festival at school, but...
Aki... I'm sorry, but today,
Ahh, that's fine. It's not like there's going to be anything all that interesting, anyway.

Akiiiiii!! Come on, it's time to get up~!



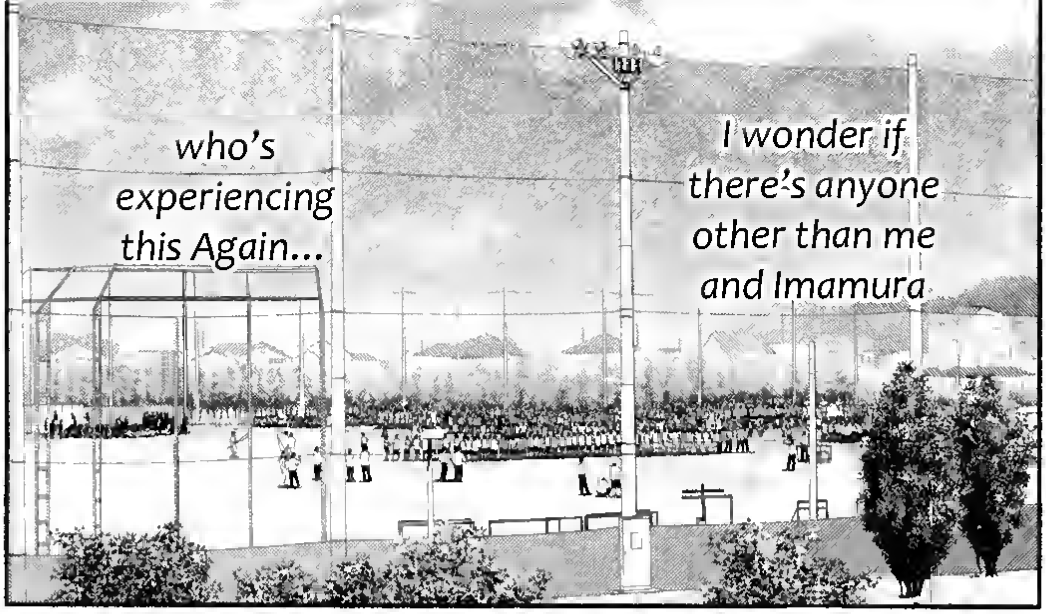
If I have to do another three Athletic Festivals like before the Again,
it's going to be one hell of a drag.
CHEER
CHEER
CHEER
CHEER
They happen right after you've spent all your energy on the Culture Festival...
And there's nothing interesting about a sports competition when you already know what the results will be...
Ah-ah.
This is so boring ...
WA HA HA HA HA HA!
Isn't there anything interesting going on?
you can do it!!
Kyaaa!!

IT'S THE OUEN-DAN!!
I heard the Ouendan is going to have a performance after this.
YAAH!
CLAP
CLAP
CLAP
CLAP
CLAP
Oh my god!
Ima-mura is the cool-est~!!

Because of the Again,
the Ouendan has changed.
DO-DON
The future where the Danchou drops out of school and the Ouendan disbands —is vanishing...
YAAAAAH!!!
Instead, Imamura's found a place in that same Ouendan.

Our club barely has any members— I wish the Ouendan would come help us out, too!
You'll come cheer for the Culture Club too, right?
Ah!! Cheer for us too!!
Come cheer for the Rugby team at our next match!!
Usami!!
DON
DO-DON
DON
DO-DON
DON
If things keep going like this, my glittering, glorious adolescence from before the Again is going to disappear!
RUN
RUN
RUN
RUN
Damn it! Damn it damn it damn it damn it! Am I the only one??
GWA AAH !!

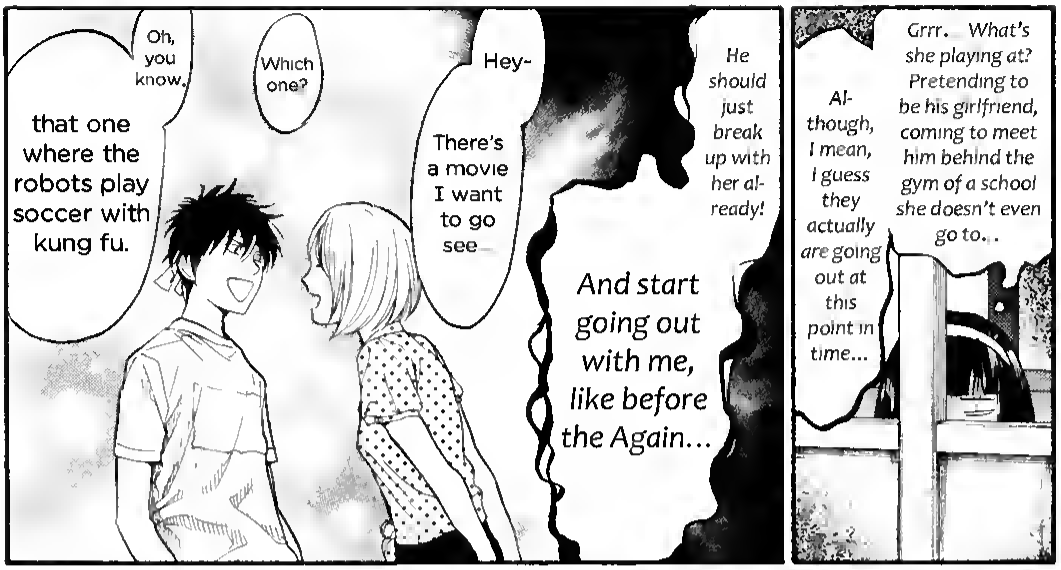
"L"!!
what am I supposed to do about it?
Even after getting a second chance from the Again...
DO-DON...
But,
so lately, there have been a lot more people talking about it...
Ah... So that's all it was. I forgot Imamura used the idea of Again in that musical,
Ahh, you mean like from that musical the other day, right?
If you could do an Again, what would you do?
Eh
AHAHAHA!
Go back before these tests, I guess?
What the heck?
Eh!?...
What?
Did she just say...
GLANCE
GLANCE
Ah-ah.
I wish I could do an Again, too!
!?



who's experiencing this Again...
I wonder if there's anyone other than me and Imamura

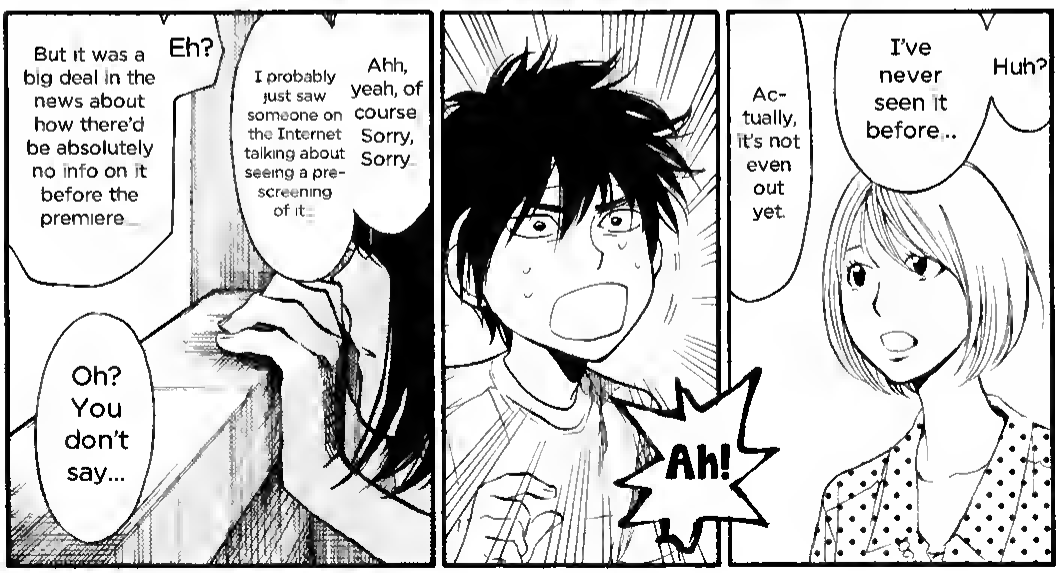
But I've been too scared to ask him about it...
There's definitely one person who I've been suspicious of for a while...

Ah!
Hiro-kun!
And his ex!!
AHH!!



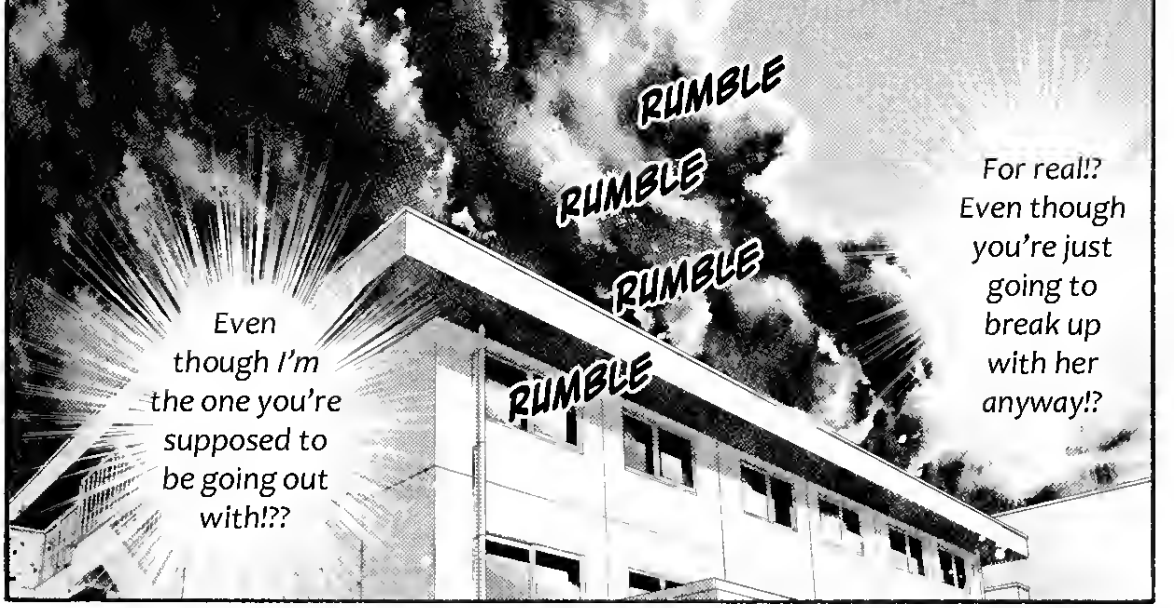
Oh, you know, that one where the robots play soccer with kung fu.
Which one?
Hey- There's a movie I want to go see—
He should just break up with her already!
And start going out with me, like before the Again...
Grrr... What's she playing at? Pretending to be his girlfriend, coming to meet him behind the gym of a school she doesn't even go to...
Although, I mean, I guess they actually are going out at this point in time...

Don't you remember how pissed off you were at it after you saw it?
Ahhh~ But that movie was such a piece of shit!
SHORIN GELION
少林ゲリオン



But it was a big deal in the news about how there'd be absolutely no info on it before the premiere—
Eh?
I probably just saw someone on the Internet talking about seeing a pre-screening of it—
Ahh, yeah, of course Sorry, Sorry—
Oh? You don't say...
Ah!
Actually, it's not even out yet.
I've never seen it before...
Huh?

Hiro-kun!
Are you actually in an Again, too?
Umm...
Who's that?
Ah, yeah.
You two wouldn't have met before, huh?
This is just some girl I know.
Her name's Aki.

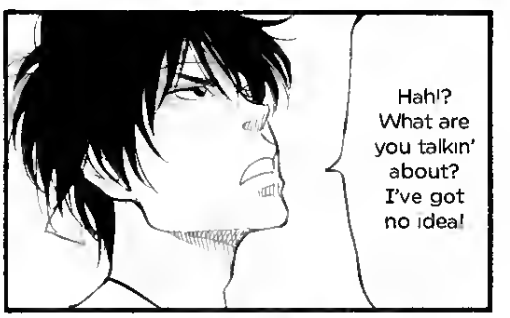


RUMBLE
RUMBLE
RUMBLE
RUMBLE
Even though I'm the one you're supposed to be going out with!??
For real!? Even though you're just going to break up with her anyway!?

Hiro-kun, why do you know about movies that haven't even been released yet?
Ah, umm...
That's not what we were talking about.

Ah!

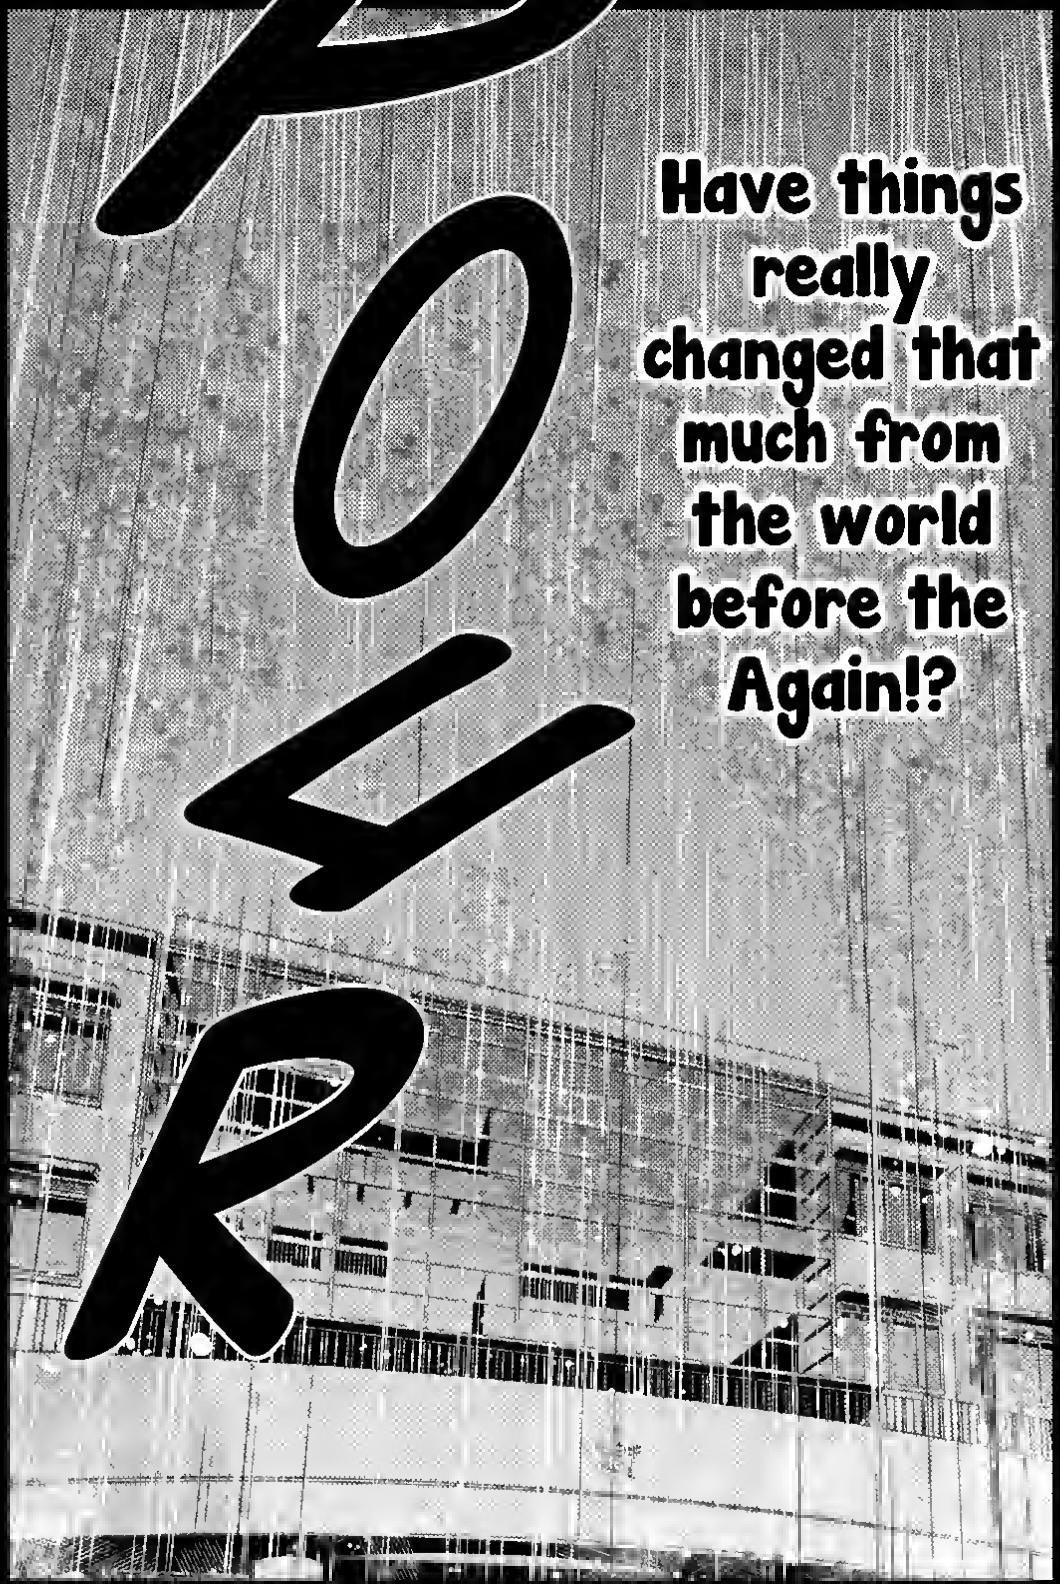
But the way you're acting, it's like back then...
You and I were going out before the Again...
If you're in an Again too, why wouldn't you tell me?
OH SHUT UP!!
Drip
Drip
Drip



Hah!? What are you talkin' about? I've got no idea!

And what does that have to do with any-thing?
I've been wondering, ever since before the Culture Festival

DROP
DROP
DROP
DROP
WAH!
WAH!
WAH!
Kyaaa!! A guerilla down-pour!?
What the hell?
It didn't rain like this at the sports festival before the Again...
!?
Ah!
...
Drizzle
That's right!
Why is it raining now, when it didn't rain before the Again!?...



POP
Have things really changed that much from the world before the Again!?
